Satellite Owners and Operators Worldwide

58 commercial and government/institutional satellite fleet operators, with fleets, leadership and ownership. Compiled 2026-10-20.

Operator	Category	Founded	HQ city	Country	Region	Key people	Specialties
SES	Commercial	1985	Betzdorf	Luxembourg	Europe	Adel Al-Saleh, CEO	Multi-orbit (GEO/MEO) connectivity; media/broadcast; government; aviation; maritime
Eutelsat Group	Commercial	1977	Paris (Issy-les-Moulineaux)	France	Europe	Jean-François Fallacher, CEO (since June 1, 2025)	GEO video/broadcast; GEO-LEO connectivity; government services
Viasat	Commercial	1986	Carlsbad	United States	North America	Mark Dankberg, Chairman and CEO	Ka-band broadband; in-flight connectivity; government/defence; maritime
EchoStar	Commercial	2008	Englewood	United States	North America	Charles Ergen, Chairman and CEO (since Nov 2025); Hamid Akhavan, CEO EchoStar Capital	Satellite TV (DISH); satellite broadband (HughesNet); wireless (Boost Mobile)
Telesat	Commercial	1969	Ottawa	Canada	North America	Dan Goldberg, President and CEO	FSS broadcast; telecom; government; Telesat Lightspeed LEO (under construction)
Optus Satellite	Commercial	1992	Macquarie Park (Sydney)	Australia	Asia-Pacific	Stephen Rue, CEO (since Nov 2024)	DTH broadcast; enterprise VSAT; Australian Defence (C1)
Gulf Space Technology	Commercial	1991	Bangkok	Thailand	Asia-Pacific	Dr. Piyawat Jriyasetapong, CEO	DTH broadcast; broadband; maritime; space tech/data services
APT Satellite	Commercial	1992	Tai Po	Hong Kong	Asia-Pacific		Broadcast; VSAT; telecom; high-throughput data
AsiaSat	Commercial	1988	Tai Po	Hong Kong	Asia-Pacific	Roger Tong, CEO	Broadcast; DTH; VSAT; data services
KT SAT	Commercial	2012	Seoul	South Korea	Asia-Pacific	Kevin Kyeong-il Choi, President & CEO (May 2026)	FSS broadcast; telecom; maritime; media
Nilesat	Commercial	1996	Giza (Cairo)	Egypt	Africa/Middle East	Maj. Gen. Sameh Katta, Chairman and CEO (transliteration also rendered Sameh Qatah)	DTH broadcast; MENA pay-TV platforms
Arabsat	Commercial	1976	Riyadh	Saudi Arabia	Middle East	Dr. Badr Alsuwaidan, President & CEO (since Aug 2025)	Video/broadcast; DTH; telecom; government
Hispasat	Commercial	1989	Alcobendas (Madrid)	Spain	Europe	Luis Mayo, CEO (2026)	Video/broadcast; broadband; government/defence
Türksat	Commercial	2004	Ankara (Gölba■■)	Türkiye	Europe/Asia	Ahmet Hamdi Atalay, General Manager (2025)	Broadcast; DTH; broadband; government
MEASAT	Commercial	1992	Cyberjaya	Malaysia	Asia-Pacific	Yau Chyong Lim, COO (2026)	DTH broadcast; telecom; broadband
Avanti Communications	Commercial	2002	London	United Kingdom	Europe	Kyle Whitehill, CEO	Ka-band wholesale broadband; MNO backhaul; enterprise; government
Hellas Sat	Commercial	2001	Koropi (Athens)	Greece	Europe	Christodoulos Protopapas, CEO (2019 interview; currency not reconfirmed)	Broadcast; DTH; enterprise; government/defence
SiriusXM	Commercial	2008	New York City	United States	North America	Jennifer Witz, CEO	Satellite radio; audio entertainment; streaming
Spacecom	Commercial	1993	Ramat Gan	Israel	Middle East	Dan Zajicek, CEO	Broadcast; data; telecom; government
ABS	Commercial	2006	Dubai	United Arab Emirates	Middle East	Mark Rigolle, CEO	Broadcast; data; government; maritime
Azercosmos	Commercial	2010	Baku	Azerbaijan	Europe/Asia	Dunay B■dirxanov, Acting Chairman of the Board (2025)	Broadcast; broadband; government; teleport services
RSCC	Commercial	1967	Moscow	Russia	Europe/Asia	Alexey Volin, Director General	Broadcast; telecom; government; maritime
Space42	Commercial	2024	Abu Dhabi	United Arab Emirates	Middle East	Karim Michel Sabbagh, Managing Director; Ali Al Hashemi, CEO Yahsat Space Services	Fixed/mobility satcom; geospatial AI; government
SpaceX (Starlink)	Commercial	2002	Hawthorne	United States	North America	Elon Musk, Chief Executive Officer	Satellite broadband; direct-to-device (T-Satellite); launch services
Amazon (Amazon Leo)	Commercial	1994	Seattle	United States	North America	Andy Jassy, President & CEO (Amazon)	Satellite broadband; consumer terminals; direct-to-device (planned)
Iridium Communications	Commercial	2001	McLean	United States	North America	Matt Desch, Chief Executive Officer	Global voice and data; IoT; maritime safety; aviation; government
Globalstar	Commercial	1991	Covington	United States	North America	Dr. Paul E. Jacobs, Chief Executive Officer	Satellite telephony; IoT; wholesale spectrum; emergency services
ORBCOMM	Commercial	1993	Rochelle Park	United States	North America	Sameer Agrawal, Chief Executive Officer	Satellite IoT; AIS vessel tracking; telematics; cold-chain monitoring
Planet Labs	Commercial	2010	San Francisco	United States	North America	Will Marshall, Co-Founder & CEO	Earth observation; daily global imagery; analytics APIs
Spire Global	Commercial	2012	San Francisco	United States	North America	Theresa Condor, Chief Executive Officer	Space-based weather data; RF geolocation; aviation; space services
Vantor	Commercial	2025	Westminster	United States	North America	Dan Smoot, Chief Executive Officer	Very-high-resolution optical imagery; GEOINT; analytics
Lanteris Space Systems	Commercial	2025	Palo Alto	United States	North America	Not published (see notes)	Satellite buses; space infrastructure; hosted payloads
BlackSky	Commercial	2013	Herndon	United States	North America	Brian O'Toole, Chief Executive Officer	Real-time space-based intelligence; high-resolution imagery; AI analytics
ICEYE	Commercial	2014	Helsinki	Finland	Europe	Rafa■ Modrzewski, CEO & Co-Founder	SAR Earth observation; sovereign constellations; disaster monitoring
Satellogic	Commercial	2010	Davidson	United States	North America	Emiliano Kargieman, CEO & Co-Founder	High-resolution Earth observation; sovereign satellite programs
Capella Space	Commercial	2016	San Francisco	United States	North America	Frank Backes, Chief Executive Officer (at IonQ closing, 2025)	Commercial SAR imagery; tasking platform
Umbra	Commercial	2015	Arlington	United States	North America	David Langan, Chief Executive Officer	High-resolution SAR imagery; space systems manufacturing
HawkEye 360	Commercial	2015	Herndon	United States	North America	John Serafini, Chief Executive Officer	RF geolocation; signals intelligence; maritime domain awareness
AST SpaceMobile	Commercial	2017	Midland	United States	North America	Abel Avellan, Founder, Chairman & CEO	Direct-to-device cellular broadband; space-based 4G/5G
Elveo Mobile	Commercial	2026	Washington, DC (metro area)	United States	North America	Ramu Potarazu, Chief Executive Officer	Direct-to-device; S-band MSS; IoT; government

Operator	Category	Founded	HQ city	Country	Region	Key people	Specialties
Kepler Communications	Commercial	2015	Toronto	Canada	North America	Mina Mitry, CEO & Co-Founder	Optical data relay; in-space connectivity; hosted payloads
Myriota	Commercial	2015	Adelaide	Australia	Asia-Pacific	Ben Cade, Chief Executive Officer	Satellite IoT; asset tracking; utilities
Kinéis	Commercial	2018	Toulouse	France	Europe	Thomas Hiriart, Directeur Général	Satellite IoT; AIS ship tracking; connected objects
EUMETSAT	Government/Institutional	1986	Darmstadt	Germany	Europe	Phil Evans, Director-General	meteorological satellites
NOAA / NESDIS	Government/Institutional	1970	Silver Spring	USA	North America	Dr. Stephen Volz, Assistant Administrator for Satellite and Information Service	meteorological satellites; environmental monitoring
ESA — ESOC operations	Government/Institutional	1975	Darmstadt	Germany	Europe	Rolf Densing, Director of Operations (head of ESOC)	space science operations; Earth observation; mission operations
JAXA	Government/Institutional	2003	Chofu (Tokyo)	Japan	Asia-Pacific	Dr. Hiroshi Yamakawa, President	Earth observation; space science; lunar/planetary exploration; launch systems
ISRO / NSIL — NewSpace India Limited	Government/Institutional	1969	Bengaluru	India	Asia-Pacific	Dr. V. Narayanan, Chairman ISRO; Radhakrishnan Durairaj, Chairman & Managing Director NSIL	Earth observation; communications; navigation (NavIC); space science; commercial transponder capacity
KARI	Government/Institutional	1989	Daejeon	South Korea	Asia-Pacific	Sangchul Lee, President	Earth observation; meteorological satellites; lunar exploration
CNES	Government/Institutional	1961	Paris	France	Europe	François Jacq, Chief Executive Officer	Earth science; ocean altimetry; satellite operations
DLR	Government/Institutional	1969	Cologne	Germany	Europe	Prof. Anke Kaysser-Pyzalla, Chair of the Executive Board	Earth observation (radar); space research; navigation
ASI	Government/Institutional	1988	Rome	Italy	Europe	Mario Cospito, Extraordinary Commissioner (appointed 8 Aug 2026; President Teodoro Valente died 16 July 2026)	Earth observation (radar); space science
CSA — Canadian Space Agency	Government/Institutional	1989	Longueuil (Saint-Hubert)	Canada	North America	Jean-Claude Piedboeuf, Acting President	Earth observation (radar); space robotics
CONAE	Government/Institutional	1991	Buenos Aires	Argentina	Latin America	Ing. Josefina Pérès, Executive and Technical Director (designated by the CONAE board, announced 26 Aug 2026; vacancy since Jan 2026 when Raúl Kulichevsky resigned)	Earth observation (radar)
MBRSC / UAE Space Agency	Government/Institutional	2006	Dubai	United Arab Emirates	Middle East	H.E. Salem Humaid AlMarri, Director General	Earth observation
CNSA	Government/Institutional	1993	Beijing	China	Asia-Pacific	Shan Zhongde, Administrator (since 2025)	lunar/planetary exploration; navigation (BeiDou); Earth observation
JMA — Japan Meteorological Agency	Government/Institutional	1875	Tokyo	Japan	Asia-Pacific	Ryoichi Nomura, Director-General	meteorological satellites
Roscosmos	Government/Institutional	1992	Moscow	Russia	Europe	Dmitry Bakanov, General Director (since 6 Feb 2025)	navigation (GLONASS); meteorological satellites; Earth observation; human spaceflight
